In-depth, agency-specific interviews across 18 reported drone strikes

Few places in the world have seen as many allies since 2001 as Afghanistan. For the mix of military and political interests, the United States, Afghanistan's politics and history are home – is painfully obvious.

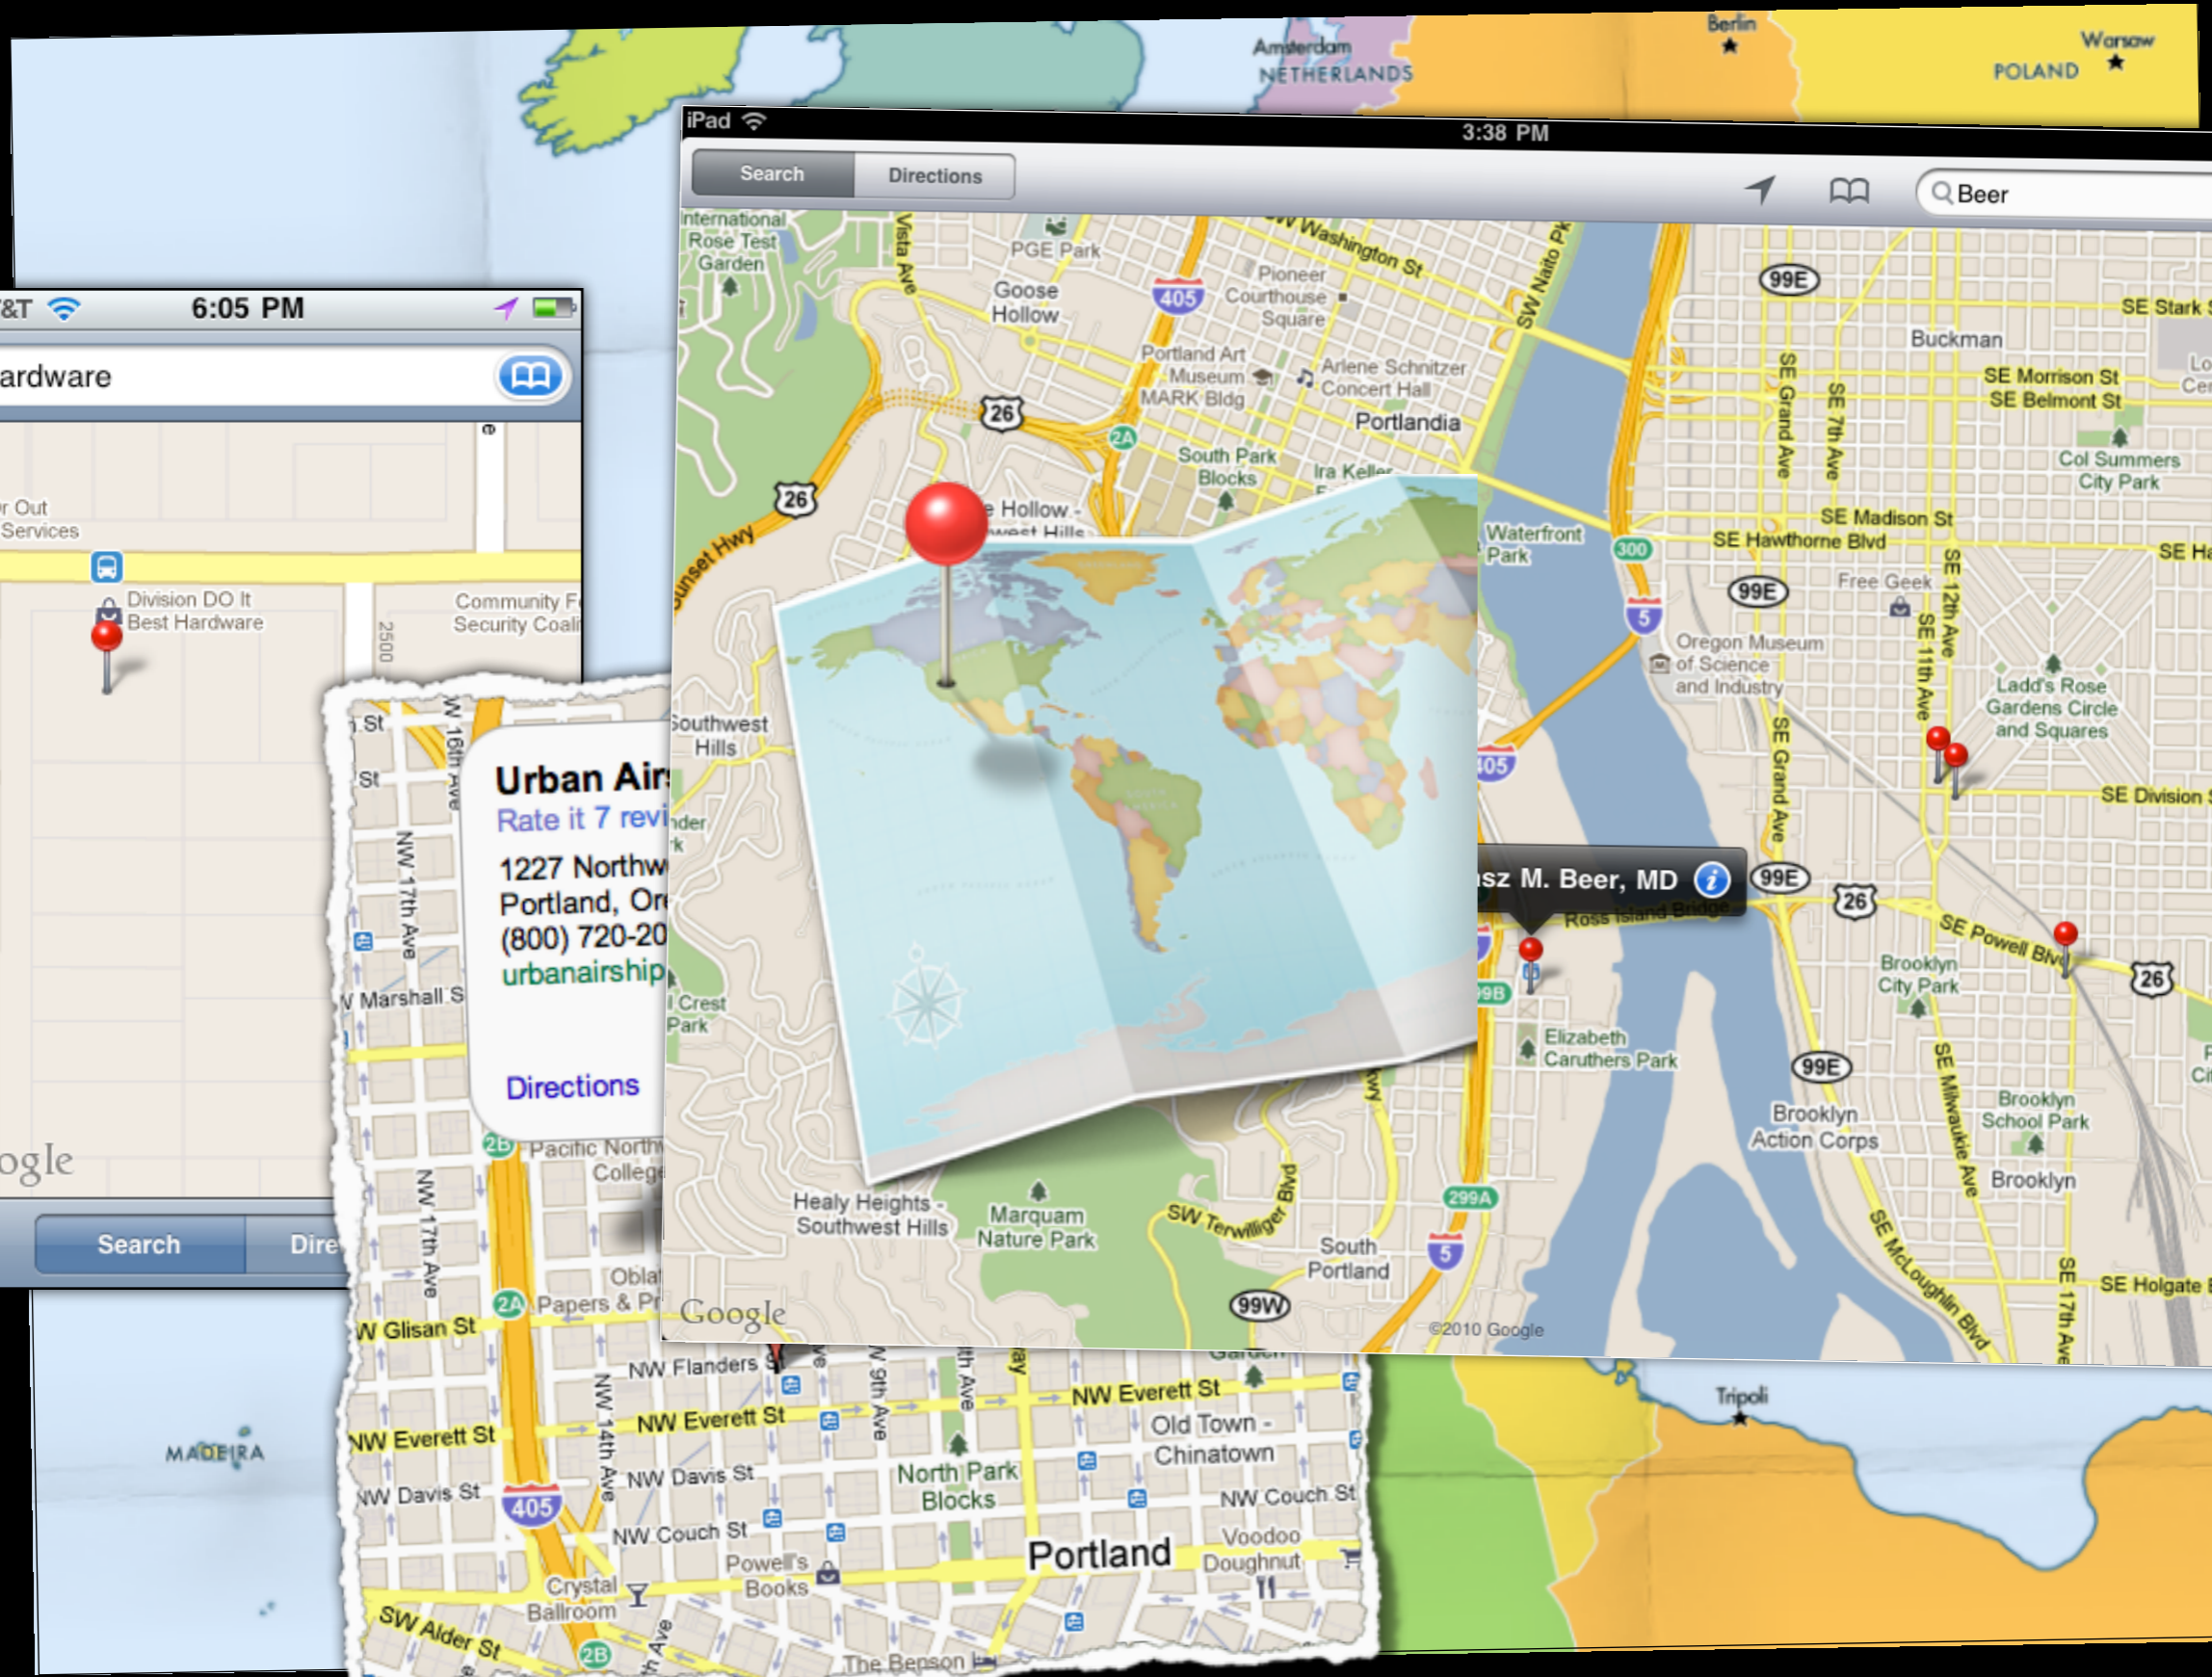

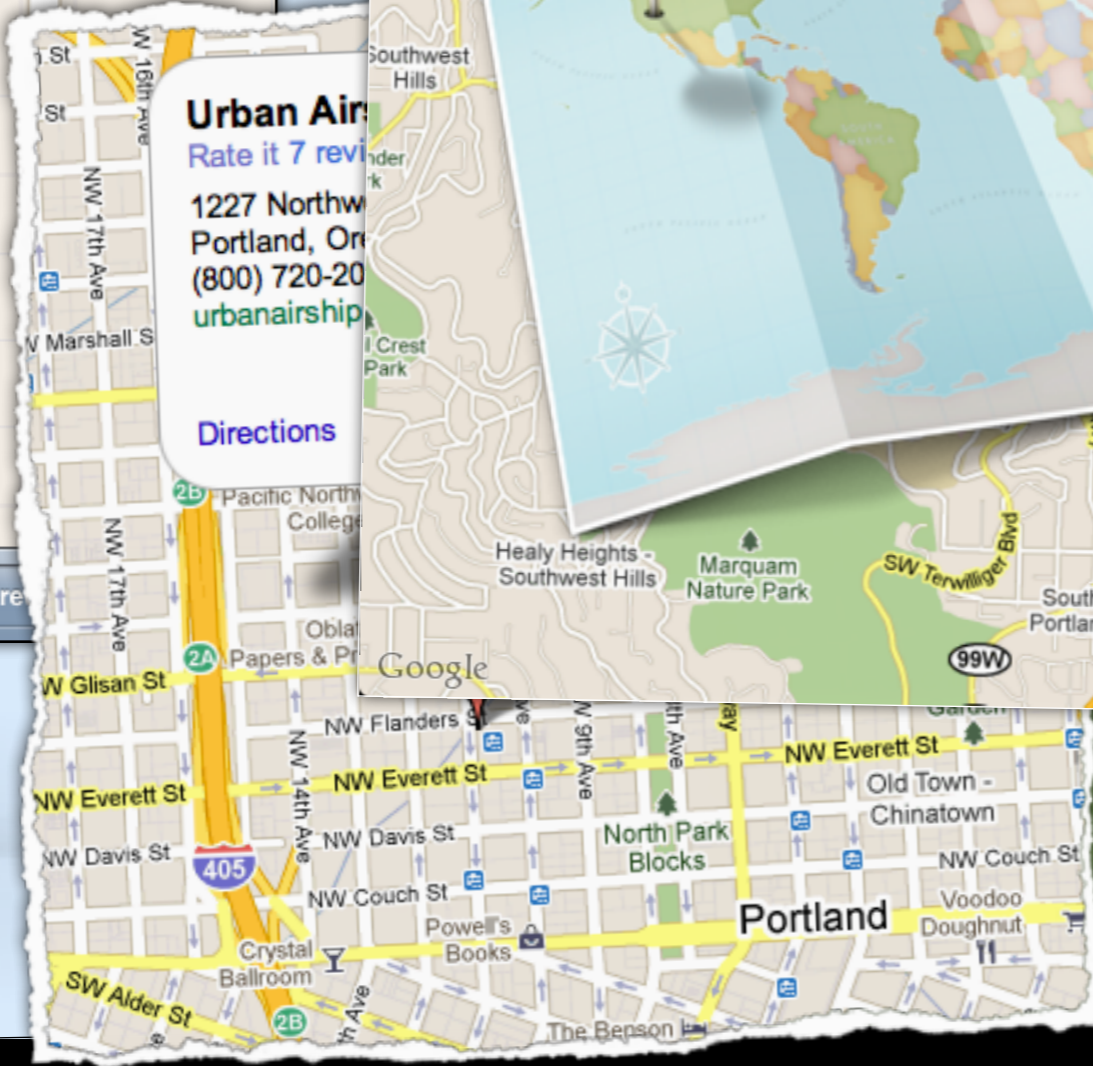

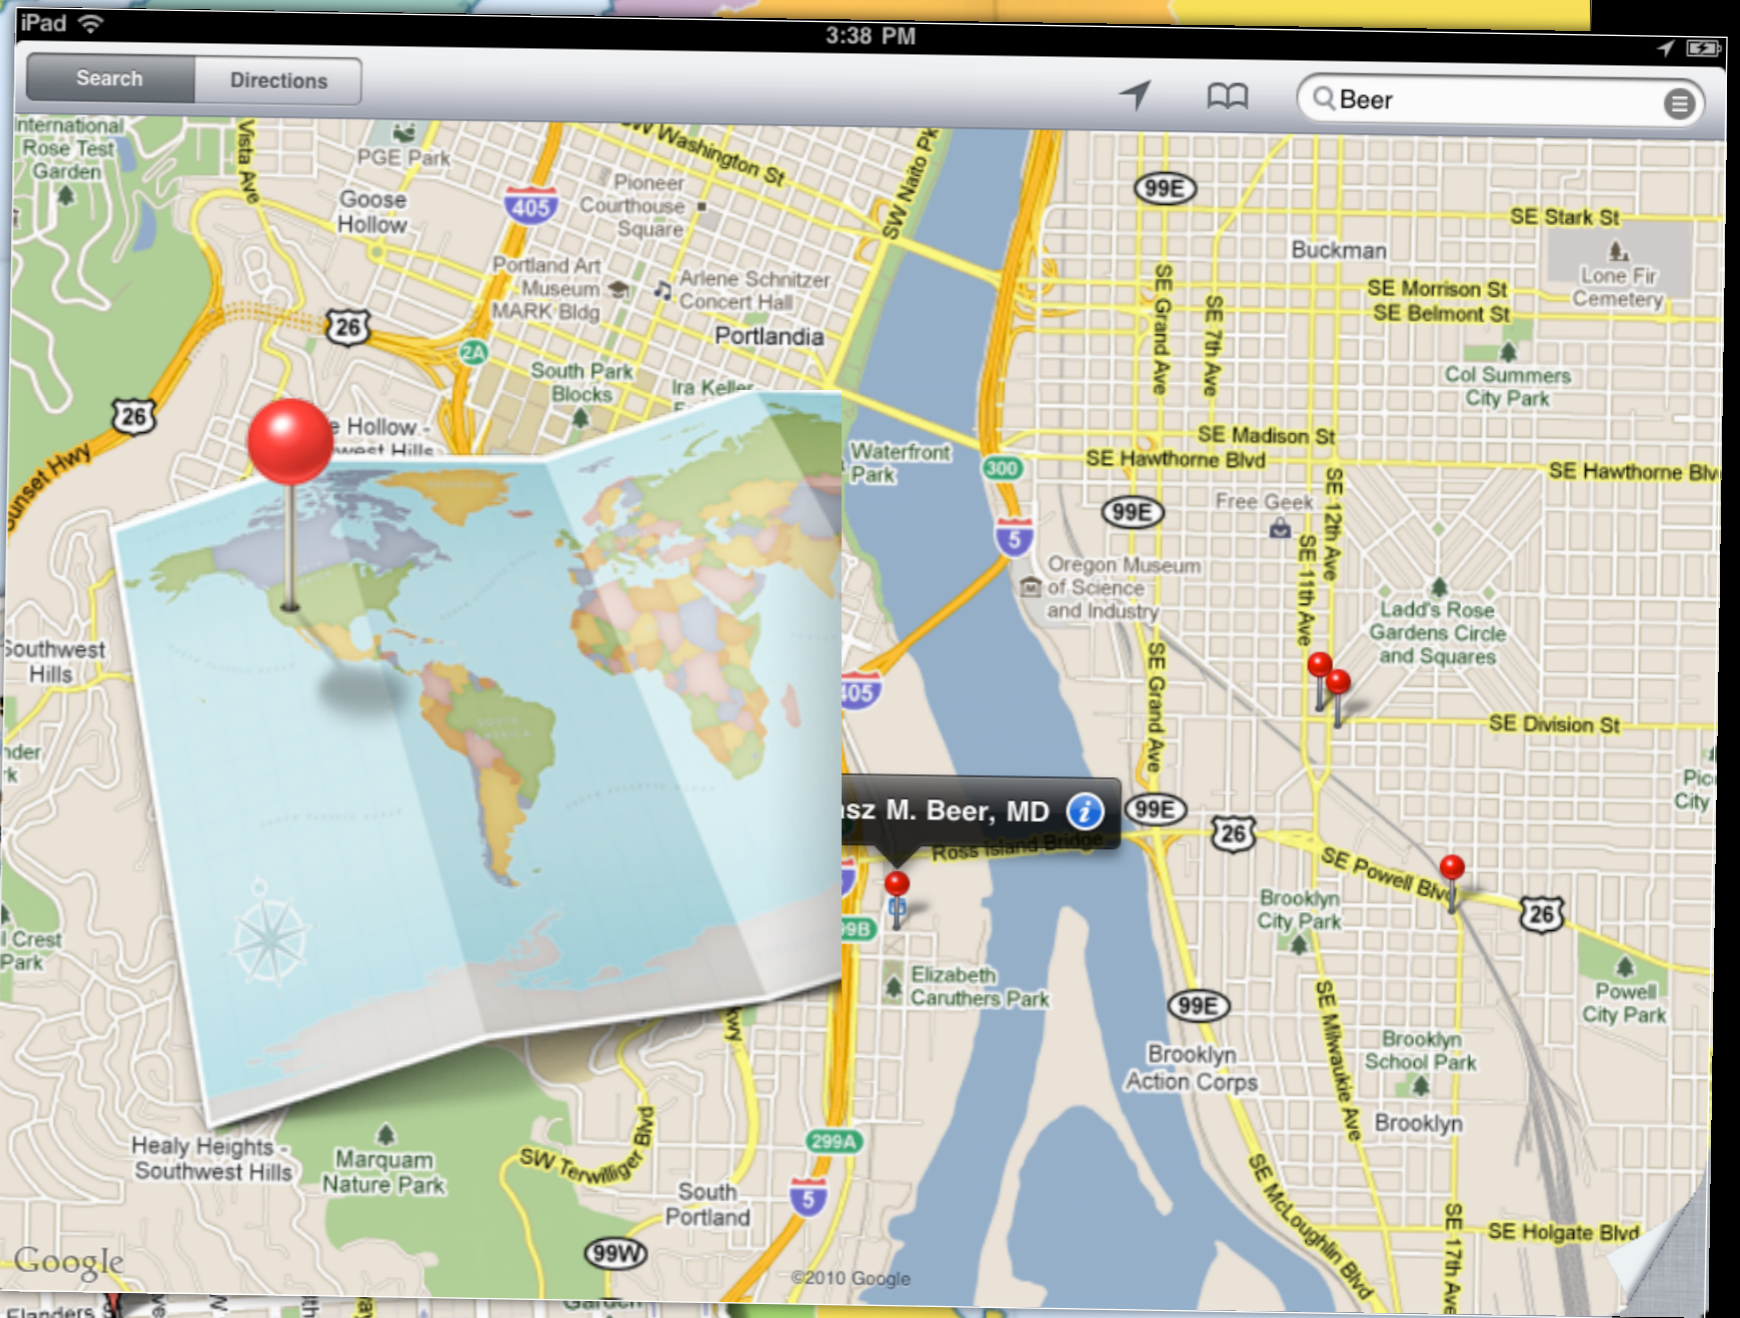

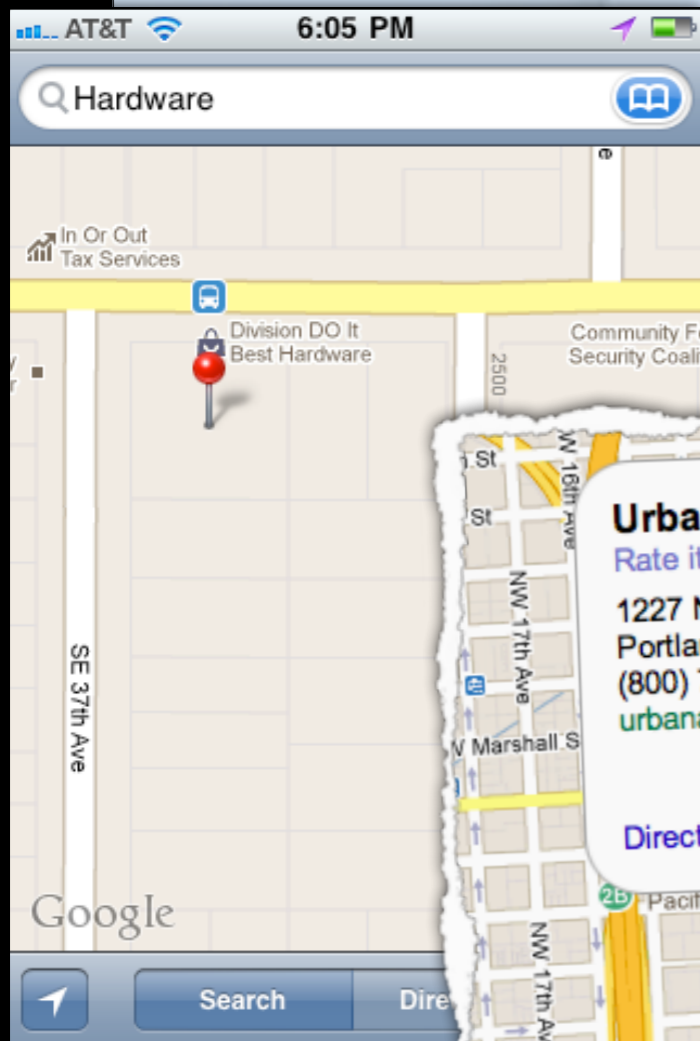

Map Tiles

A grayscale map of a city with a grid overlay. A white rectangular area is highlighted on the left side of the map, representing a 256x256 pixel region. The map shows various streets, buildings, and green spaces. A dashed grid is overlaid on the map. The text "256 x 256" is prominently displayed in the center of the map, with "(PNG/JPEG)" below it.
